Proof Silver Dollar

RARITY

No more than 2000 Silver Dollars will be counterstamped, making this one of the rarest souvenirs of this gala world competition.

BEAUTY

The classic design of two Olympic runners has been adapted from a priceless ancient Greek vase. It has been meticulously hand engraved on a steel die and then individually stamped under great pressure into genuine pristine Proof 40% Pure Silver Eisenhower Silver Dollars.
Note that these are the impressive large Silver Dollars that were originally minted by the United States Government over a decade ago!

DESIRABILITY

Olympic commemoratives and coins with sports themes are among the most popular numismatic collectibles. This is an acquisition that you will always consider as one of your proudest possessions. . . one that all of your family and friends can share.

MODERATE PRICE

You might expect such historic and rare counterstamped commemorative United States Proof Silver Dollars to cost much more than the $29.50 issue price. . . but they don't!
And included in this low price is a clear protective holder and a certificate of authenticity.

Rush your order today for the counterstamped Proof "1984 Los Angeles Olympics Silver Dollar". . . and order a few extra pieces as very special gifts. Since the mintage is a tiny 2000 pieces, orders will be filled on a strict first come, first served basis.

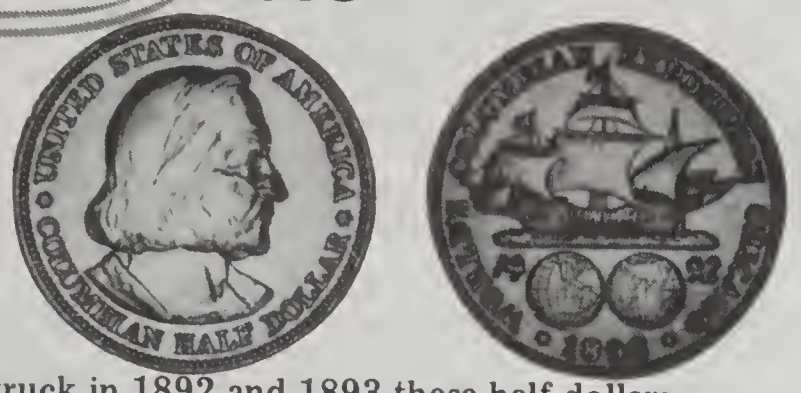
Half Dollars



Struck in 1892 and 1893 these half dollars commemorate the World's Columbian Exposition held in Chicago in 1893. Now everybody knows how Superior sells coins at super low prices but we are sorry that we cannot offer these at their original price of $1.00.
With a total mintage of over 2½ million pieces it is no wonder that many were released into circulation
This half was our first commemorative coin and designed by two of the most famous U.S. coinage designers, G.T. Morgan and C.E. Barber. Our coins are in average circulated condition.

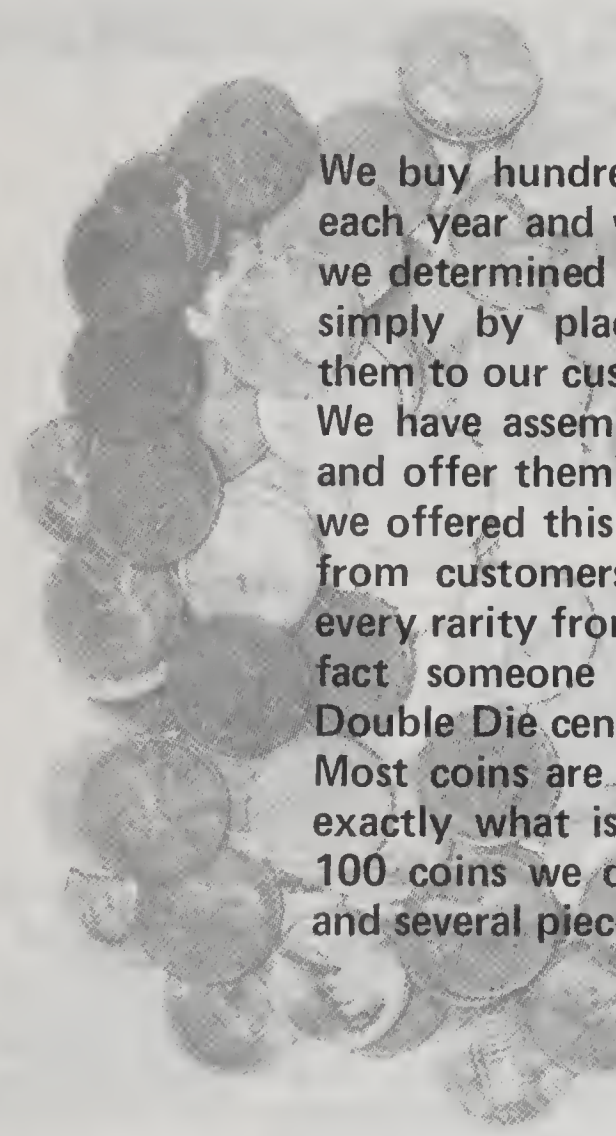
GIANT HOARD OF LINCOLN CENTS



We buy hundreds of collections of Lincoln cents each year and with the high costs of sorting coins we determined the best method to handle these is simply by placing them into bags and offering them to our customers through "MONEYTALKS." We have assembled a large quantity of these bags and offer them here as in the past. Last year when we offered this selection we honestly received calls from customers indicating they received virtually every rarity from the 1909-SVDB to 1914-D and in fact someone indicated they received a 1955 Double Die cent. We cannot tell what they include. Most coins are wheat backs but there is no telling exactly what is in your selection. While scanning 100 coins we did spot a 1911-S in fine condition and several pieces in the early teens.

1923-S MONROE DOCTRINE half dollar

Originally issued in response to the Motion Picture Exposition held in 1923, this issue has one of the unique designs of any commemorative half. The Western Hemisphere portrayed on the reverse is actually two female figures. Careful examination of the coin will clearly reveal them. The obverse portrays James Monroe and John Quincy Adams. A total of 274,077 coins were struck and the 1983 edition of the famous "Red Book" catalogues the piece in Almost Uncirculated condition at $23.00.

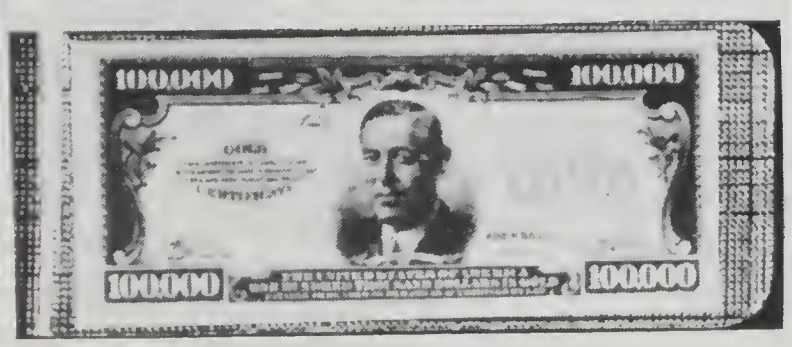
After Twelve Years

$100,000.00

Currency Available



Approximately 12 years ago Superior introduced a novel item known as our $10,000.00 Tie Clip. Well after selling literally thousands of these the Secret Service which is a leg of the Treasury Department closed the door on the sale of these reduced yet identical reproductions of large denomination U.S. currency.

Recently according to sources we have learned that mainly due to the efforts of Time Inc., in a suit filed against the Secret Service it is now permissible to offer these novel and great curiosity items. We have them available in stock for immediate delivery.

Best of all is the price which closely parallels our price from 12 years ago. Also available is a $100,000.00 Money Clip. Order several now for the upcoming holidays as there is no telling what our government might do once these are offered in the press.

BABE RUTH

50 First Day Covers

The design of the 20 Cent Babe Ruth commemorative was unveiled Feb. 6 in Baltimore, Maryland. It will be issued July 6 in Chicago, Illinois, in conjunction with the All-Star Game.

When the Baseball Hall of Fame opened in Cooperstown, N.Y., George Herman (Babe) Ruth was one of the five players originally voted by sports writers to be members. Now a new stamp will be issued July 6, 1983, to honor him.

Because of the baseball fan's enthusiasm for the new stamp, a spectacular set of 50 different First Day Covers, with full-color "silk" cachets, is being issued to honor Babe Ruth.

The 50 different color cachets picture highlights of Ruth's 22-year career with the Boston Red Sox and the New York Yankees. Fewer than 500 sets of these covers will be issued. . . and we expect that most of them will be sold well before the new stamp is issued!

DON'T MISS this opportunity. . . This is a cover collection to be treasured and handed down to your children. When Babe Ruth was traded to the Yankees by the Red Sox, it was baseball's biggest deal. . . and it launched a new era in American baseball that will never be forgotten.

Every cover in this collection will have a July 6 Chicago First Day cancellation (the date of the All-Star game) on the Babe Ruth stamp. The complete collection. . . including a luxurious padded ring binder with special pages to hold the cover collection. . . is only $79.95 postpaid.

with Luxurious Album

$79.95

Babe Ruth hit a record 29 home runs as a Red Sox player and went on to set a lifetime record of 714 home runs, which stood until 1974.

Some of the highlights shown on the covers include Babe Ruth at bat, pitching for the Boston Red Sox and for the Yankees, campaigning for Al Smith for president, and the "last game" retirement ceremony. One shows him playing shortstop at age 16, another signing with the Baltimore Orioles in 1914. Full-color silk covers are by John Zaso.
